specifications

NATURE'S PATHS SELECT

Luxury vinyl tile with micro bevel edges

18" x 18" tile size (457.2mm x 457.2mm)

Remarkable realism combining the latest advances in imaging, texturing and finishing

Featuring Quantum Guard™ HP, a patented high performance wearlayer with urethane aluminum oxide topcoat cured by a UV process which can eliminate the need for polish over an extended period of time depending on the amount of commercial traffic

Quantum Guard HP can eliminate the need for harsh cleaning agents, strippers and polishes due to its cleanability and durability

Edges and corners are carefully milled and the flexible construction makes for an easy installation

ASTM 1700 Class 3, Type B

Third party certified via the FloorScore IAQ testing program. FloorScore is an alternative compliance path to LEED EQ Credit 4.3

Meets CHPS 01350 IAQ Test, passed and listed

Adhesive meets VOC content limit of SCAQMD Rule #1168

Limited 5-Year Quantum Guard™ HP Finish Warranty, Limited 5-Year Commercial Warranty
