

MANNINGTON COMMERCIAL

MT-800 Seam Sealer / MT-900 Seam Cleaner

Uses:

MT-800 seam sealer is a high strength chemical welder for use with Mannington's vinyl backings. MT-800 is the appropriate seam sealer for chemically welding Mannington's Integra HP RE, Infinity Six-foot and when seaming Integra HP RE to Mannington's Commercial sheet vinyl.

MT-900 is the cleaner used to remove excess MT-800 when wet.

Description:

- Clear liquid that dries translucent
- Used to chemically weld PVC vinyl backings
- Used to chemically weld Integra HP RE backing to Mannington Commercial sheet vinyl
- Develops quick strong bond
- Passes water penetration test at 10,000 cycled on properly prepared seams.
